

IBM CLOUD ACCOUNT CREATION

Google search results for "ibm cloud". The search bar shows "ibm cloud" and the results page displays "About 11,90,00,000 results (0.33 seconds)". The first result is "https://cloud.ibm.com" with the title "IBM Cloud". Below the title, it says "cloud logo. Log in to IBMCloud. Don't have an account? Create an account. Sign in with: IBMid, IBMid, Continue, Forgot ID? Remember ID, Password." There are three links: "Create an account", "Catalog", and "India". Under "Create an account", it says "Your trial doesn't require a credit card. All you need to do is sign ...". Under "Catalog", it says "The IBM Cloud catalog lists starters and services that you ...". Under "India", it says "Free tier - Watson Text to Speech - IBM Watson Studio - ...". There is also a link "Get started free" with the text "Start building immediately. Your trial doesn't require a credit card ...". At the bottom, there is a section "People also ask" with four questions: "How do I log into IBM Cloud?", "Is IBM Cloud for free?", "What happened to IBM Cloud?", and "Is IBM Cloud free for students?".

IBM Cloud Dashboard. The dashboard shows a "For you" section with six cards: "Build", "Monitor your resources", "Create and deploy an application", "Use Speech to Text", "Get started with machine learning + Watson Studio", and "IBM Watson Internet of Things Platform". Each card has a "Getting started" button and a time estimate. Below the "For you" section, there are four more cards: "News", "Recent support cases", "Planned maintenance", and "IBM Cloud status". The "News" card has a link "View all". The "Recent support cases" card has a link "View all". The "Planned maintenance" card has a link "View all". The "IBM Cloud status" card has a link "View all".
