IBM Cognos Analytics
Software

IBM Cognos Business Intelligence is a web-based integrated business intelligence suite by IBM. It provides a toolset for reporting, analytics, scorecarding, and monitoring of events and metrics. The software consists of several components designed to meet the different information requirements in a company. [Wikipedia](#)

Platform: Cross-platform software
License: Proprietary
Operating system: Microsoft Windows Server, Linux, UNIX
Stable release: 11/2/0 / May 12, 2021; 16 months

A screenshot of the IBM Cognos Analytics website. The page features a dark background with a large illustration of a person interacting with a large screen displaying data. The text "IBM Cognos Analytics with Watson" is prominently displayed. Below this, a tagline reads "Your trusted Watson co-pilot for smarter analytics and confident decisions." Two buttons are visible: "Start free for 30 days" and "Book a meeting". A "Let's talk" button is also present in the bottom right corner.
